KREACTIV
CREATIVITY IN ACTION

SILVER

It is a step by step process. We begin by working on your website design first. You can choose from 2 different custom design samples.

- You will be presented with 2 unique design concepts of the first two pages in the image format based on your specifications.

- Your initial variations will be ready 5 business days after we receive the content for at least two first pages.

- We will include up to 6 stock pictures and images in your project free of charge. You can also provide us with all the content including photos and images in a suitable format.

- We can change, tweak and modify your designs to your liking. You can apply up to 6 revisions per project free of charge.

- If you are not happy with any of the presented variations, we will provide you with one redraw session of 2 new concepts free of charge.

- When you approve your initial concept we will design the rest of your pages

- As soon as all the pages are designed and approved by you, we will convert them in to a suitable format for the web.

- When you are completely satisfied with all the pages, we will upload the files to your server.

- This package include free domain and Hosting for the first year

- Up to 200 word content writing
